SKILLS

- HTML5, CSS3, JavaScript (ES6+)
- React.js, Redux, Tailwind CSS
- Responsive Design, Material-UI
- Node.js, Express.js
- Drizzle ORM, Mongoose
- MongoDB, Firestore
- Git, GitHub
- Stripe Integration Webhooks

PROJECTS

PrepSmart AI 🔗 | Next.js, React, JavaScript, CSS, HTML, Drizzle ORM, Gemini AI, Clerk   **2024**

- Developed a Full Stack AI platform for mock interviews with dynamic question generation and real-time feedback.
- Designed a secure user authentication system with Clerk, ensuring seamless login and profile management.
- Leveraged Drizzle ORM for efficient and maintainable database operations.

Expense Tracker 🔗 | Full Stack Development with React and Node js   **2024**

- Implemented state management in React for real-time updates on expenses and budget tracking.
- Utilized Mongoose for managing user expense data, ensuring efficient storage and retrieval.
- Visualized expense data using react-chartjs-2 and Chart.js, enabling users to analyze their spending habits through interactive graphs.

Netflix Clone 🔗 | React, JavaScript, Firebase(Backend), Stripe(Payment Getway), IDE - VS Code   **2024**

- Implemented Google Authentication for secure user login and streamlined authentication flow.
- Utilized Redux for efficient global state management, ensuring a smooth user experience.
- Integrated Stripe Checkout and implemented Webhooks for seamless payment processing.

INTERNSHIP

CodSoft 🔗   **02 2024 – 03 2024**
Web Development Intern   *Kolkata, India*

- Designed and implemented a landing page with a focus on user engagement, optimizing layout and visuals for UI/UX. **Improved website performance through optimized media and efficient CSS/JS loading techniques.**

CODING PLATFORMS

- Solved **100+** Problems on **Leetcode.** 🔗
- Solved **150+** Problems across **GeeksforGeeks** and **InterviewBit**. 🔗

EDUCATION

Chouksey Engineering College, Bilaspur   **2021 – 2025**
B.Tech - Computer Science and Engineering   *Bilaspur, Chhattisgarh*

CERTIFICATIONS

- Build Responsive Real-World Websites with HTML and CSS - Udemy
- Job Interview Masterclass: Acing The Job Interview Course - Udemy
